

**D.O.Lr.No.20/Peshi(HMFW)/2022, Dt:10.12.2022**

My dear collector Sir,

Sub: Dr. YSR AHCT- P&C- Registration of Beneficiaries and distribution of Co-branded Ayushman – Dr. YSR Aarogyasri Health Cards to the eligible beneficiaries – Reg.

Ref: Lr. No. 6383423/I.1/2022, Dated: 20.09.2022.

-\*-

Kind attention is invited to the subject cited above.

As you may be aware, Ayushman Bharat - Pradhan Mantri Jan Aarogya Yojana (AB-PMJAY) is being implemented by the State of Andhra Pradesh since January 2019 as a part of the Dr. YSR Aarogyasri Program. The National Health Authority (NHA) has identified 55,30,834 families comprising of 1.79 Crore members, as eligible AB-PMJAY families in the State of Andhra Pradesh. As per the directions received from the NHA, the Dr Aarogyasri Health Care Trust, the State Health Authority (SHA) has identified these families and furnished the beneficiary data to NHA for generation of health cards.

NHA has launched a co-branded card, namely the "Ayushman – Aarogyasri Card", and has put in the place a process of registration, printing, and distribution of health cards. In our state, the

- i. Registration of each beneficiary is being done through the PMJAY mobile application by Aadhaar based face or finger print or OTP authentication.
- ii. The village / ward volunteer has been given a login in the mobile App for carrying out the registration process. They are doing the registration for all the families tagged to their own as well as in-charge clusters.
- iii. AB-PMJAY – Dr. YSR Aarogyasri cobranded card will be generated for the eKYC verified and authenticated beneficiary data.
- iv. The generated card data will be pushed to the Printer for printing of cards.
- v. The Printer will print the cards and deliver then to the ANMs/ Ward Health Secretaries in Village / Ward Secretaries for delivering them to the beneficiaries through the Village/Ward volunteers.

- vi. The village / ward volunteers will deliver the card and get acknowledgement for delivery through eKYC process.

The entire process of registration of cards should be completed before 20<sup>th</sup> December 2022. In this regard, though the process was started on 25<sup>th</sup> September 2022, so far only 65.15 Lakhs registrations out of 1.79 Crore members has been completed. This process needs to be expedited hence suitable instructions may be issued to the field functionaries i.e., ANMs, Ward Health Secretaries and Ward and Village Volunteers for completion of the entire activity by 20<sup>th</sup> December 2022. Daily monitoring of the progress should be done through the District Nodal Officer for GSWS and the District Coordinators for Aarogyasri.

In order to motivate the volunteers, NHA has announced an incentive of Rs. 5/- for carrying out each enumeration for generating health cards and the same will be directly deposited to the bank account of the volunteer.

The reports for monitoring the progress of registration are made available in the below link: <https://dashboard.pmjay.gov.in/>. Please bestow your personal attention and complete this card drive within schedule.

*Regards,*

Yours faithfully,

  
**(M.T. KRISHNA BABU)**
