

**CIRCULAR**

**Rc.No.16021/129/2021/D1**

**2-3-2022**

**Sub:** JVD Schemes – Payments to be released to bank accounts linked with Aadhaar number of mothers – Few mother adhaars are not yet mapped to any bank account or mapped to inactive bank account – Need to intimate mothers to meet the Branch Manager and map her Aadhaar number to her currently used active account – Instructions – Issued.

**Ref:** Instructions of the Government

It is to inform that Government proposed to release amounts under Jagananna Vidya Deevena and Jagananna Vasathi Deevena schemes through Aadhaar Payment Bridge System (APBS). Under this system, the amount will be released automatically to the bank account to which the aadhaar number of mother is last mapped.

The aadhaar numbers of mothers as updated by the WEAs/WEDPSs in the nava sakam login are verified in the portal of National Payments Corporation of India (NPCI) to check the status of mapping of aadhaar number of mother to her active bank account. The following is the outcome of the verification:

- 2 % of the aadhaars of mothers are mapped to an inactive bank account
- 5% of the aadhaars of mothers are not mapped to any bank account
- 93% of the aadhaars of mothers are mapped to an active bank account

The following are the three different possibilities/problems that occur in APBS system of making payments and the solutions for the same.

**1) Where the aadhaars of mothers are mapped to inactive bank account:**

In this case, the adhar number of mother is mapped to a bank account, which is inactive. It is possible that mother has two bank accounts, but she is actively using only one bank account, but her aadhaar number is mapped to the other account which she is not using for a long time (hence inactive).

**Solution:** The mother has to meet the branch manager where her bank account exists (which is being used regularly) and request the manager to map her aadhaar number to her bank account by filling up a form. The branch manager will then update her aadhaar number in her bank account by taking her bio metric authentication. The payment under APBS system gets credited to the bank account to which her aadhaar number is last mapped.

**2) Where the aadhaars of mothers are not mapped to any bank account:**

In this case, aadhaar number of mother is not mapped to any bank account.

**Solution:** The mother has to meet the branch manager where her bank account exists (which is being used regularly) and request the manager to map her aadhaar number to her bank account by filling up a form. The branch manager will then update her aadhaar number in her bank account by taking her bio metric authentication. The payment under APBS system gets credited to the bank account to which her aadhaar number is last mapped.

**3) Where adhaars of mothers are mapped to an active bank account:**

Normally there should not be any problem in this case. However, it is possible that a mother has two bank accounts and we do not have provision to know in NPCI portal to which account her aadhaar number is mapped. Mother may be expecting money to be released to a bank account, say, X account, whereas her aadhaar may have been mapped to a bank account, Y. If the mother desires that her amount should be released to X account only, then she shall visit the branch manager of X account and enquire if her aadhaar is mapped to that account. If not mapped, then she has to request the branch manager to update her aadhaar number to her X account.

**4) Aadhaar number of mother is updated wrongly in nava sakam login:**

In this case, the amount gets credited to a wrong person and the responsibility for the same will have to be fixed on WEA/WEDPS concerned for confirming a wrong aadhaar of mother. In such very rare cases, the report along with scan of adhar shall be mailed to [jnanabhumi.jvdschemes@gmail.com](mailto:jnanabhumi.jvdschemes@gmail.com) for updating such wrong adhaar numbers.

A service is enabled in nava sakam login of WEAs and WEDPSs wherein the details of mothers whose adhar numbers are mapped to inactive bank account or not mapped to any bank account are displayed. The WEA/WEDPS are requested to intimate those mothers to take follow up action as suggested above. The WEA/WEDPS has to update in this service the follow up action taken i.e whether intimated mother or not and whether mother met the branch manager and updated her aadhaar or not.

It is requested to attend to this work on priority basis, since Hon'ble CM is scheduled to release the Vidya Deevana on March 8<sup>th</sup> and bills need to be generated on March 7<sup>th</sup> for this purpose.

*Ani 2/3/22*  
For Director, SW

& Nodal Officer, JVD Schemes

To all the Joint Directors/Deputy Directors of SW Department with a request to communicate the same to all WEAs, WEDPSs and monitor the follow up in case of Sl.No.1, 2 and 4 cases as mentioned in the circular.

Copy to all WEAs, WEDPSs with instructions to follow up as per above instructions.

Copy to the Director, GVWV & VSWS Department for information.

Copy to the Director, BC Welfare/ Tribal Welfare/Minority Welfare for information and for communicating to the field officers.

Copy to the Joint Collectors of Village/Ward Secretariats and Development for information.

Copy to the Joint Collectors of Asara and Welfare for information.

Copy submitted to the Special Secretary, Social Welfare Department for information.
