Lr.No.WDC02-16030/81/2022-ICDS-WD&CW, Dt. 12/10/2022

Sir,

Sub:- WD&CW Dept. - ICDS – SIRA framework & Consistent Rhythms App –Communication of User Manual & Standard Operating Procedures for proper monitoring and maintenance of Anganwadi Centers – Instructions Issued – Reg.

\* \* \* \* \*

Kind attention is invited to the subject cited.

As part of consistence rhythms, Department of WD&CW has developed a monitoring application to improve the performance and maintenance of Anganwadi Center in coordination with GSWS. The same has been incorporated in SIRA framework application of MSK and in YSR SP (YSR Sampoorna Poshana) application.

Further, virtual trainings to both MSKs and AWWs were organized in their respective Gram/ Ward Sachivalayams across the State on 29-10-2022, 30-10-2022 & 01-10-2022. Furthermore, Department is hereby communicating the user manual and standard operating procedures (SOP) for operationalization.

Hence, it is requested to communicate the same to all Mahila Samrakshana Karyadarshis (MSKs) to follow the guidelines while monitoring Anganwadi Center maintenance. Further, MSKs need to submit their feedback/observations in her (MSK) login. Based on this central server will generate tickets and push to respective AWW/Supervisor/CDPO for necessary corrective measures. This application helps Department in improve service delivery and ensure better supervision of all Anganwadi Center activities.

Thanking you

Encl:

1. SOP for Anganwadi Center management
2. User Manual for Anganwadi Center maintenance

Yours faithfully,

A Siri I A S

Director
