 - xv. Two recent passport size photographs with name on backside.
7. The authorized verification team at the college will enter the details basing on original certificates produced by the student.
 8. If the details facts entered by the student and the details entered by the verification team are tallied, the system will allow to receive the Fee from the student.
 9. After payment of Fee by the student and entry of payment details, the system will generate the admit card and the principal shall sign and issue the admit card to student.
 10. If the details entered by the student in online application are not tallied with those entered by the verification team at the college, the admission given to the student will automatically cancel and no further correspondence will be entertained with those candidates.
 11. The student who got admission and paid the Fee will have the provision to submit his request for Sliding for the group of his upward choice or to remain in the same group.
 12. If any student, who is provisionally selected for admission, neither reported to the college nor submitted for sliding in the website before prescribed date, the seat allotted to him will automatically cancel and his application will not be considered for next rounds of allotment of seats.
 13. The seats in the college and hostel which are not filled up to the time given for the students selected in I round will be treated as vacancies.
 14. The students who got the seat but opted for sliding and the students who could not get the seat in the first round will be considered for next round allotment.
 15. After the time given for joining of the students selected in, I round is over, the system will allot the left over seats in the college and hostel, to the students remained as explained above, basing on their marks in qualifying examination and reservations.
 16. After the allotment of the seats in second round, the steps 4 to 14 will be repeated.
 17. After the time given for admission of II round provisionally selected students is over, the system will allot the left-over seats, to the students who opted for sliding and could not get the seat in I&II rounds, and SMS and e-mails will be sent to the provisionally selected students as shown below;

You are provisionally selected for allotment of a seat in group with medium in college (with/without) hostel seat. If you want to join

and continue in the allotted group, you shall submit all your certificates to the college and pay the prescribed Fee before (date).

18. The students who are provisionally selected for admission in III round shall report to the college and submit their original certificates, and the steps at point 7 to 10 will repeat.
19. The students who gets admission in another group in sliding, need not pay the fee again, but to pay the difference amount after joining in the college.
20. The students who are selected for admission into hostel shall pay the hostel establishment charges (not food charges) while joining in to the hostel
21. Once the admission is confirmed the Fee is paid, the Fee amount will not be returned even the student wants to leave the college

22. Option for sliding:

1. If the group of your First Choice is allotted, you will not have the option for sliding. You have to attend the college along with all your certificates and pay the prescribed fee before the last date. Otherwise, the seat allotted to you will automatically be cancelled.
2. If the group other than your First Choice is allotted, you will have the option for two types of sliding i.e. (i) option for sliding without joining in the college and (ii) option for sliding after joining in the college.
3. **Opting the sliding without joining in the college:** Students who are provisionally selected for admission into a group (other than his first choice) but do not want to join in that group and desires to join in another group of his upper choice, shall login into the admission website, click on the "Application Status" on home screen and enter on "Yes I opt for sliding".

If you opt for sliding without joining in the college, the seat provisionally allotted to you will automatically cancel and your application will be examined for allotment of seat in the groups of your higher choice in next round/rounds as per your marks and reservations. System will allot a seat if seats are available in the groups of your higher choice, and will not allot a seat if seats are not available in the groups of your higher choices to allot up to your merit.

4. **Opting the sliding after joining in the college:** Students who are provisionally selected for admission into a certain group shall report to the college and submit his certificates and pay the prescribed fee within the date given. If you are satisfied with the group joined you need not opt for sliding. If you want to join in the present allotted group but desires to join in other groups of your upper choice, you shall login into the website, after paying the fee, click on the application status on home screen and enter on "Yes I opt for sliding".

If you have paid the fee and opted for sliding for the groups of higher choices, the seat provisionally allotted to you will be remained to you and if the seats are available in the groups of your higher choice than the present allotted group, the system will allot the seat as per your merit and reservations. If seats are not available in the groups of your higher choices to allot up to your merit, the seat will not be allotted to you in the groups of your higher choices but the seat you already joined will be remained to you.

5. For selection of sliding, go to home and click on "Application Status" button, and click on "Yes I Opt for Sliding" on next screen, your request for sliding towards your upward choice is recorded in the system.
6. Provision is not available to revise the options during opting for sliding. You can only opt for sliding towards your upward choices.
7. If any student, who is provisionally selected for admission, neither reported to the college nor submitted for sliding in the website before prescribed date, the seat allotted to him will automatically cancel and his application will not be considered for next rounds of allotment of seats. Further if a candidate opted for sliding without joining in the college and if the seat in his/her higher choice group is not allotted as per his marks, no seat will be remained to him/her.
