Cir.Memo.Roc.No. AHF02-LHC/11/2023-H-TP-DAH

Dt:26.10.2023

Sub: Animal Husbandry Department –Conducting Jagannana Pasu Arogya - Suraksha camps – Organizing Pilot camps at North Coastal, Central Coastal and Rayalaseema districts during the month of November 2023– Certain instructions/guidelines – Issued – Regarding.

Ref:- Organizing Jagannana Pasu Arogya Suraksha Camps (JPASC) in the State.

\*\*\*\*\*

The attention of the DAHOs, I/c District Administration in the State is invited to the subject & reference cited, wherein it is proposed to conduct Jagannana Pasu Arogya Suraksha camps (JPASC) similar to Jagannana Aarogya Suraksha Camps being organized by the State Government.

The Jagannana Pasu Arogya Suraksha camps (JPASC) are scheduled from 1<sup>st</sup> December to 31<sup>st</sup> December 2023. The camps are to be organized @ 4 camps per mandal (1 mega and 3 medium camps). The detailed SOP for conducting JPASC will be communicated.

Before the commencement of JPASC, it is proposed to organize One Pilot camps covering 3 regions. In North Coastal Vizainagaram district, Central Coastal NTR district and in Rayalaseema-Tirupati district during the month of November 2023 to assess logistical requirements viz animal turnout, specialist doctors, medicines etc.

The schedule for the organization of pilot camps:

Sl.No	Name of the District	Date of camp
1	Tirupati	07.11.2023
2	NTR	10.11.2023
3	Vizainagaram	14.11.2023

The pilot camps should be organized as per the SOP designed for conducting Jagannana Pasu Arogya Suraksha camps (JPASC)

The DAHOs of Vizainagaram, NTR and Tirupati districts are requested to follow the guidelines for successful organization of pilot camps as mentioned below:

I. Preparatory arrangement for the Camps:

- An action plan shall be prepared well in advance in consultation with Public representatives.
- All the farmers shall be informed well in advance.
- Wide publicity shall be given through print and electronic media.
- The camp shall be conducted at a suitable place where a large number of animals can be accommodated.
- All necessary drugs and medicines for the camp shall be positioned.
- The DAHO's shall ensure a minimum of 500 animals to attend the pilot camp.

II. Formation of Veterinary Teams:

- Veterinary Teams shall be formed with the following.
