The Government have instructed to complete the eKYC process for Scheduled Caste (SC) Intermediate students before releasing the scholarship funds of both the Central and State share. As the Scholarship amounts shall be released to Aadhaar seeded bank accounts of the students, eKYC is essential for confirmation of Aadhaar number of the students.

A service has been activated in the Navasakam logins of WEAs and WEDPSs to facilitate eKYC/Aadhaar authentication of Intermediate students at least once a year to avail scholarships and this eKYC can be done at the village/ward secretariats or any nearby secretariat, which is convenient for students living in hostels far from their homes. So, the WEAs/WEDPSs are requested to complete the eKYC process for eligible students as soon as possible to ensure timely disbursement of Scholarships.

DSCW & EO's of all the districts are hereby requested to coordinate with secretariat staff to ensure that this process is completed swiftly.

Yours faithfully,

Director of Social Welfare.

Copy to all the DSCW & EOs with a request to inform and coordinate with all the WEAs/WEDPSs concerned to ensure that the students would complete the eKYC in next six days.

The Director, GVWV & VSWS Department for information and further instructions to WEAs/WEDPSs.
