In the left side menu please select **Enumerators Mapping**.

The screenshot shows the Enumeration Dashboard with the 'Enumerators Mapping' menu item in the left sidebar highlighted with a red box. The data in the main sections remains the same as in the previous screenshot.

Then it will be redirected to below screen and then select Add Enumerator.

The screenshot shows a web application interface for managing enumerators. The page title is "List Of Enumerators". At the top right, there is a user profile section with "Welcome: CENSUS_ADMIN" and "Last Login: 26 Oct 2024". A red box highlights the "Add Enumerator" button in the top right corner. Below the header, there are filters for "NTR", "All Mandals", and "All Secretariats", along with a search bar. A table lists enumerators with columns: Sr.No., Secretariat Name, Secretariat Code, Enumerator, Designation, Enumerator Code, Mapped Clusters, and Action. The first row shows an enumerator named "chaitu" with a secretariat code of "10890501" and an enumerator code of "001". The action buttons for this row are "Map", "Active", and "Transfer". The page also includes a sidebar with navigation options like "Enumeration Dashboard", "Search by Aadhar Number", "Enumerators Mapping", "Reports", and "Change Password". The footer contains the logo of the organization and copyright information: "Copyright © 2024 Nalpuryam. All rights reserved." and a "Privacy Policy" link.

Enter all the required fields and then click on Submit button.

This screenshot shows the "Add Enumerator" form overlaying the "List Of Enumerators" page. The form contains the following fields: "Employee Id*" (text input), "Aadhaar Number*" (text input), "Name*" (text input), "Gender*" (select dropdown), "Mobile Number*" (text input), "Department*" (select dropdown), "District*" (select dropdown), "Mandal*" (select dropdown), and "Secretariat*" (select dropdown). At the bottom of the form, there are two buttons: "Close" and "Submit". The background shows the same "List Of Enumerators" page as in the previous screenshot, but it is dimmed to focus on the form.

After that Enumerator Added Successfully message will be displayed.

The screenshot shows a web application interface for managing enumerators. A green notification banner at the top reads "Enumerator added successfully". Below it, the "List Of Enumerators" page is displayed. The page includes a sidebar with navigation options: Enumeration Dashboard, Search by Aadhar Number, Enumerators Mapping (selected), Reports, and Change Password. The main content area features a table with the following data:

Sr.No.	Secretariat Name	Secretariat Code	Enumerator	Designation	Enumerator Code	Mapped Clusters	Action
1	AMBAPURAM	10690561	chaitu	-	001	-	Map Active Transfer

At the bottom of the page, there is a footer with the text "Copyright © 2024 Naipunyam. All rights reserved." and a "Privacy Policy" link.

Added enumerator will be displayed in the list of enumerators.

The screenshot shows the "List Of Enumerators" page with a list of 11 enumerators. A red circle highlights the first row of the table, which contains the following data:

Mapping Clusters To Enumerator Documentation:

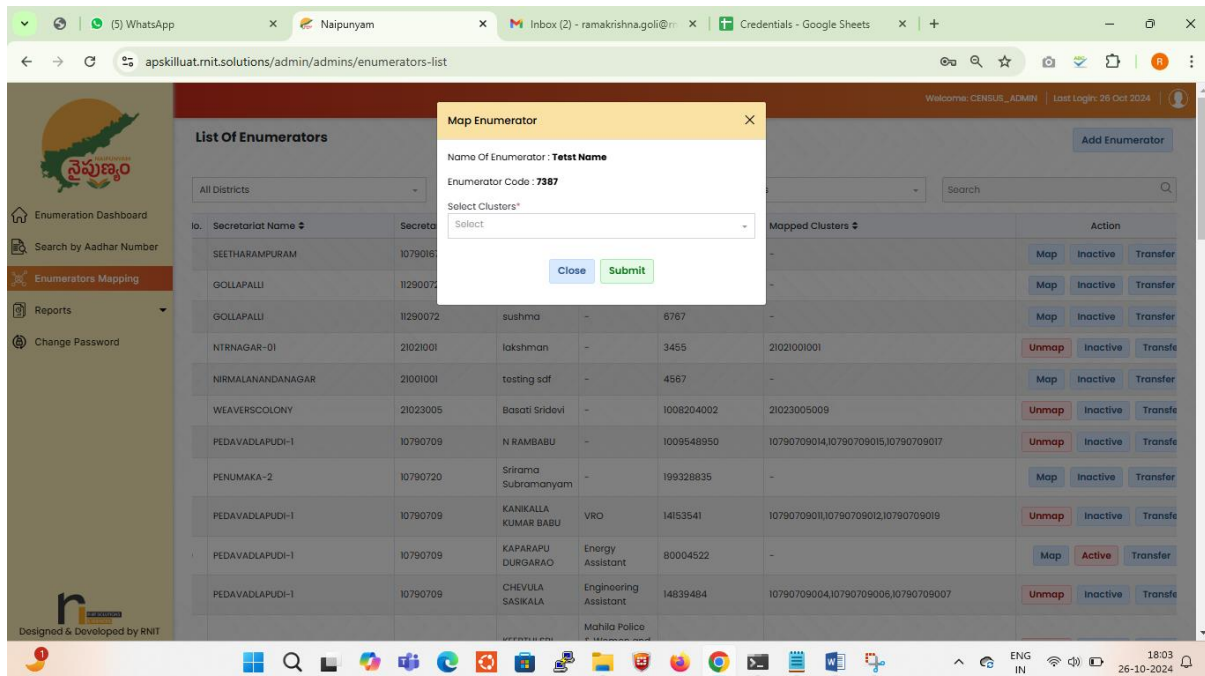

Click on Map button to map clusters to an enumerator.

The screenshot shows the 'List Of Enumerators' page in a web application. The page has a sidebar on the left with navigation options: Enumeration Dashboard, Search by Aadhar Number, Enumerators Mapping (selected), Reports, and Change Password. The main content area displays a table of enumerators with columns for S.No., Secretariat Name, Secretariat Code, Enumerator, Designation, Enumerator Code, Mapped Clusters, and Action. The 'Action' column for the first row (S.No. 1, SEETHARAMPURAM) has a 'Map' button highlighted with a red box. Other buttons in the 'Action' column include 'Inactive' and 'Transfer'.
